Dedication

MRS. MILLER

We, the Class of 1958, wish to take this opportunity to dedicate our yearbook to a very special and much-needed person. Her job is not a pleasant one. It takes up much of her time outside of school, yet she always seems to be there when we need her. She is a kind friend to us all and is always ready and willing to help us with any special problems we may have. We want to thank her for all she has done for us, the school and the community. We hope that she will regard this as a true measure of our appreciation as we dedicate our yearbook to our school nurse, Mrs. Anne Miller.

The Principal's Message

MR. LOTZ

To the class of 1958, we are grateful for the production of this yearbook. The staff and advisor has performed a lasting service to our school, and in so doing, gained valuable experience through responsible participation.

The quotation from a recent book seems appropriate here: "Our high schools are precious to us as symbols of democracy, but their chief value lies in their power as instruments for strengthening our people one by one and so carrying forward for another generation the endless struggle to liberate and dignify the human spirit."

To those responsible for the production of the 1958 OPUS, I hope you found both satisfaction and dignity in a job well done.

Class History

1954-55

In September of 1954, we became the Freshman Class of Sherburne Central School. We started off the year with sixty dollars which we had collected from previous years. To add to our funds we put on our first dance, "Frosh Downs". It didn't turn out as profitable as we expected, but we had a good time planning it.

1955-56

As Sophomores we began to join more clubs and activities. The "Sadie Hawkins" dance, which was our main project of the year, was a roaring success, and the money we made helped us look forward to our goal, the Senior trip. With this in mind, we sponsored another dance in the spring, the "Tender Trap".

1956-57

The annual magazine sales which we lost to the Seniors by only a few dollars; the school fair where we sold hot dogs, cookies and milk; the ordering and receiving of class rings and our newspaper, "Junior News", made us feel that we were officially Juniors. After Christmas we started plans for our Junior Prom. "Moonlight and Roses" was the chosen theme and it was held May 24th. The court stood upon grass-covered stairs surrounded by roses, and the queen, Sandy Morris, sat upon a glittered moon. We felt that it was one of the most beautiful proms held in years.

1957-58

At last! Finally we are able to bear the title of Seniors, making plans for the future and preparing for our trip to New York City. To build up our financial supply, we outdid the Juniors in the magazine sales this year and did very well on the Senior Booth at the school fair. Of course we also have the refreshment stands at the football and basketball games. Our really big project of the year is this, our Opus '58. Much work has been spent on it, and we hope that it will be the happiest ever! We have ordered our Senior pictures, invitations, and caps and gowns. We will probably engage in a few more activities during the year--another dance, perhaps a spaghetti supper or selling stationery and wreaths. Then the hours we have waited for, for thirteen long years, baccalaureate and graduation! Then of course, the most exciting time of it all, the Senior trip.

We wish to thank all those who have helped to make our years at Sherburne happy ones, filled with many pleasant memories. We sincerely hope that each class following us will enjoy themselves as much as we have.

Our Class Poem

Oh, sacred halls of Sherburne High,
As we prepare to part,
Many lasting memories
We carry in our heart.

We'll remember all our teachers,
Each and everyone,
Who have helped us in so many ways,
With work, and play, and fun.

We entered here as children,
Hardly knowing where to turn,
But they guided us and taught us well,
To live, and love, and learn.

Now we've reached our first big step,
In growing up, they say,
We'll soon be leaving Sherburne High,
And making our own way.

No-one knows but God,
What the future has in view.
But we the Class of '58,
Will always remember you.
